

Full Time Water Operator (Advertisement)

Position: Water Operator

Location: Town of Round Hill, Virginia

Service Area: Public Water & Public Sewer System for 4,000+ residents across 1,850 homes

Reports To: Utility Supervisor

Work Schedule: 40 hours per week (*expected to work Weekend Shifts, Emergency Calls, and Holidays as needed*)

Relocation Assistance: Available

The Town of Round Hill, Virginia, located in Loudoun County, VA, is about 20 minutes from Leesburg, VA; 45 minutes from Frederick, MD; 30 minutes from Winchester, VA; and 30 minutes from Charles Town, WV.

The Town of Round Hill is seeking an experienced Water Operator to help maintain and operate its Public Water and Sewer systems, serving a growing community of over 4,000 residents. The Town operates a network of 12 public wells, four water treatment plants, and over 30 miles of water and sewer lines. The successful candidate will join a team that ensures safe, efficient, and reliable water service to residents while helping to modernize and maintain the utility infrastructure.

Qualifications:

- 5 to 7 years of experience in water system operations, including experience with public well systems and water treatment.
- Experience with water distribution systems, pumps, and treatment plants is required.
- Familiarity with preventive maintenance practices, troubleshooting, and repair procedures for water infrastructure.
- Water Operator Certification (*Virginia preferred, but other state certifications will be accepted if they demonstrate equivalent qualifications*).
- Experience in wastewater treatment is preferred to work weekend shifts as needed. If the right candidate does not have experience, the Town will provide training.
- Knowledge of water quality standards and environmental regulations.
- Strong problem-solving skills and the ability to work independently.

- Ability to operate and maintain a variety of tools and equipment used in water and wastewater system operations.
- Valid driver's license and good driving record.
- Excellent communication skills and the ability to collaborate with a variety of stakeholders, including residents, contractors, and other team members.

Desired Attributes:

- Proactive, solutions-oriented approach to water and wastewater system maintenance and improvement.
- Strong commitment to public service and community engagement.
- Willingness to participate in ongoing professional development and training opportunities.
- Strong organizational skills and the ability to prioritize tasks effectively.

Compensation:

- Salary based on experience and qualifications: \$58,000 to \$78,000 annually
- Comprehensive benefits package including health insurance, retirement plans, and paid time off.
- Gear, Uniform and Boot Allowance provided
- Relocation assistance is available for qualified candidates.
- Training and Tuition Assistance is available.

How to Apply:

Interested candidates should submit job application and references to the Town of Round Hill at mhynes@roundhillva.gov. Applications will be accepted until February 19, 2025 (*first round of review will occur on February 12, 2025*)

The Town of Round Hill is an equal opportunity employer and encourages candidates of all backgrounds to apply.

We look forward to finding a dedicated Water Operator to help keep our water systems running smoothly and reliably.
