**Description:** Are your critical assets vulnerable? Does your utility have an emergency action checklist? Do you have everything you need to handle anything thrown at your utility and community? This class is for utility staff, emergency managers, first responders, local emergency planning committee members, and county and town officials. Topics to be covered included:

- Incident command
- Tunnel vision
- Hazard identification
- Weather / Natural events
- Fatigue issues
- Security
- Critical customers
- State resources
- · Handling media
- Community partners

### PRE-REGISTRATION IS REQUIRED Class Size Limited to 30

Instructors: Mike Lynn (VRWA)

Class Time: 9am-4pm Lunch: One hour on your own.

Cost: FREE

**To Register:** The preferred method for registration is online at the VRWA website (www.vrwa.org). If an attendee does not have internet access, he or she may complete the registration form on the back of this page and fax it to the VRWA office at **540261-2465**. For answers to questions regarding the registration process, please call the VRWA office at **540-261-7178**.
