<p>Option 1 Knowing How to Study Before You Go <i>Betty Green (Tardigrade Sustainable Solutions)</i> Prepare for your certification exams, whether for the first time or retaking. This class will cover core competencies and exam question types based on the ABC Need-To-Know Criteria. Guidance will be provided on selecting suitable reference materials for study and exam preparation. Attendees will share and explore their personal study and learning experiences. Participants are encouraged to bring their own testing experiences for discussion.</p>	<p>Option 2 In's and Out's of Cyber Security <i>Eddie Shelton (VRSA), Jeff Wynn (New River Computing), John Harrison (CISA)</i> This class will cover a variety of topics concerning Cyber Security. Learn what you can be doing, how to protect your facilities, and what the Department of Homeland Security can do if your system is attacked.</p>
